Dear Gerry,

On behalf of the association, it gives me great pleasure to say "Congratulations" to you and board members of the San Diego Chapter for being selected as a Model Chapter 2009. Are you aware that the chapter has been a model since the program began in 2001? Very impressive!

It is without doubt a privilege to work with such a motivated group of individuals whom collectively continue to display a high level of professionalism from conducting successful chapter programs/events, strong community support, and overall membership growth. Find enclosed 20 special lapel pins for your distribution. If additional pins are needed, please let me know.

If you would like to have the special podium banner inscribed to reflect "2001-2009", please have it shipped to me. It will be returned in plenty of time for next chapter event.

Much appreciation for your continuing support!

Sincerely,
